

You're invited to the Second Annual ...

CAMPUS ANTIWAR NETWORK CONFERENCE

NATIONAL CONFERENCE ■ CHICAGO, ILLINOIS ■ NOVEMBER 1-2

HOSTED BY THE UNIVERSITY OF ILLINOIS- CHICAGO'S CAMPUS ANTIWAR

We welcome antiwar organizations and supporters to help make this conference an important event for the entire movement! Campus-based antiwar and anti-occupation organizations are invited to affiliate with CAN and to send two delegates per campus to vote at the conference. While delegates are the only conference attendees who may vote, we encourage all campus committees to send as many guests as possible!

The CAN National Conference will take place at a critical time. The conference will offer opportunities to discuss the pressing issues in our movement, including:

- What are the challenges and opportunities for organizing today?
- What does CAN think about the occupation of Iraq, self-determination, the UN, and the 2004 elections?
- What will CAN do as a national student organization to strengthen our resistance to the US occupation of Iraq? What will we do to end the occupation of Iraq and to bring the troops home?

CAN is an independent, democratic, grassroots network of campus-based antiwar committees.

We stand opposed to all unjust wars.

We stand opposed to the occupation of Iraq.

We stand opposed to racist scapegoating and all attacks on civil liberties.

We demand money for education, jobs and healthcare, not war.
